Dear Mr. Williams:

Allow me this opportunity to say thank you for providing Inside Cable with such impressive service and great product!

I recall the first opportunity I had to see the product that Jazzy Sportswear offered – when Inside Cable received the NEMSDC Emerging Business Award. The award trophy which you produced and provided to the NEMSDC for presentation to us was absolutely beautiful and well presented.

Shortly thereafter, we decided to place an order with “Jazzy” for some premium items for an upcoming company event. Each step of the design and logistics process was seamless and again, the product was just as ordered.

As you know, since that time, we’ve called upon Jazzy Sportswear for many of our promotional item needs and will look forward to future business in that regard.

I also want to take a moment to say a big *thank you* on behalf of our recent Tech for Tots ribbon cutting ceremony, of which “Jazzy” donated imprinted T-shirts for all of the students at Tech for Tots – Hattie B. Cooper Community Center! You gladly accepted our request for the donation and were expedient with what became a substantial order within a short time-frame!

Again, our thanks for your continued customer service and great product!

Sincerely,
